Re: ***Your Judicial Administrative Records Request***

Dear Mr. Trautfield:

On December 22, 2020, Court Administration received your judicial administrative records request under *California Rules of Court*, rule 10.500 et. seq. seeking "public information from the criminal records of individuals sentenced under PC §190.2 from 1991 through 2020." The court previously responded by advising you in writing that it would require additional time to review and identify responsive records.

Attached are the administrative records responsive to your request.

Sincerely,

A handwritten signature in blue ink that reads "Michael Planet".
