

Letter from San Joaquin County Court Records Department;

Please see the attached results rendered from the court's records search for matters in which defendants were sentenced pursuant to PC 190.2. The information listed under the "FullCourt Enterprise" tab located at the bottom of the report was entered into our current case management system between 10/15/2015 to the current date. The information listed under the "Legacy Systems" Tab" was migrated from a previous case management system which is no longer in use, and these entries were created between 1/1/1991 to 10/14/2015. Thank you again for providing the additional details needed to complete the administrative records request.
